Prominent Swiss banker calls for “arrest” of entire World Economic Forum (WEF) for “democide” caused by “bioweapon” COVID shots

The son of one of the co-founders of the World Economic Forum (WEF), now a retired Swiss banker, is [calling for justice](#) against the criminals who unleashed Wuhan coronavirus (COVID-19) "vaccines" on the world.

Pascal Najadi, whose father Hussain Najadi was assassinated in 2013, is reportedly joining forces with Dr. Astrid Stuckelberger – did you catch Dr. Stuckelberger's [recent appearance](#) on the *Health Ranger Report*? (you can watch it in full below) – to demand full criminal prosecution of all involved in COVID injections, which they both now refer to as "bioweapons."

Najadi and Dr. Stuckelberger put together a new documentary film called "Cutting off the Head of the Snake" that delves into the "democide" that COVID jab perpetrators engaged in under the guise of fighting a global "pandemic," which was largely falsified for maximum terror effect.

Najadi resigned from his powerful banking position a short while back, but while on the job he wielded significant influence over world affairs. His job was to advise countries and heads of state on the financial direction of their respective countries.

Najadi is also responsible for the recent resignation of Swiss President Alain Berset, against whom Najadi filed a criminal lawsuit at the high Supreme Court of Switzerland, accusing Berset of making false claims about the "safety" and "effectiveness" of mRNA COVID jabs.

(Related: Back in July, the Brevard County Republican Executive Committee (BREC) in Florida [declared COVID shots to be bioweapons.](#))

The time is NOW to punish the war criminals behind Operation Warp Speed

Unwilling to face the charges, likely because he is guilty, Berset is instead officially stepping down from his post by the end of the year, though he has already basically left the seat vacant.

In Najadi and Dr. Stuckelberger's documentary film, Najadi explains at length his late father's disdain for the Geneva-based WEF. His father actually left the WEF, which he co-founded back in the early 1980s, leaving Klaus Schwab at the helm.

"Everything evil in the world related to democide unfortunately comes from Geneva," Najadi says.

"You have WHO [World Health Organization] in Geneva, you have GAVI [Bill Gates' Vaccine Alliance], then you have the WEF, which my father was a co-founder and left Klaus Schwab out of disgust in the early eighties that has diplomatic immunity."

Najadi is further declaring that, as a Swiss citizen, he is free to declare the WEF ineligible for any further diplomatic immunity, which has long served as cover for its crimes against humanity.

Najadi wants Swiss authorities to now start arresting the perpetrators of COVID jab crimes against humanity, which include a "global humanity injection by a bioweapon."

Big Pharma, Big Tech, the WEF, Bill Gates, the *World Health Organization* (WHO) and many other globalist-controlled entities are all responsible in part for the COVID jab scheme, and Najadi wants *all* of them to face the music.

"I call on the Swiss authorities and security to arrest those people immediately," Najadi says. "Why? The WEF, WHO, GAVI, Big Pharma, Big Tech and Bill Gates all advocated a global humanity injection by a bioweapon injecting nanolipids into 5.7 billion people."

"And we Swiss are hosting them. That's terrible."

Najadi says that both he and his mother are victims, too, having both taken the jabs, and both are now dying from it, he says.

"It's a democide and will be judged," Najadi further pronounced. "It will be corrected in the name of humanity."

In the American context, patriots would do well to focus on who propagated Operation Warp Speed and go after them for prosecution. Many of them are the same names and organizations Najadi mentioned, so that is a good place to start."
